Street Vending Framework

Councilmembers Buscaino and Price introduced a framework that sets parameters for vending on the City's sidewalks. While many program details are still to be discussed, this proposal sets the basis for a citywide program. Join us to learn about the framework and next steps and to discuss the policy goals.

Special Guest: Dennis Gleason, Office of Councilmember Joe Buscaino

Citywide Economic Development Strategy

The City has embarked on an effort to spur economic development across the City. An RFP for a citywide development strategy is being released and the Council has instructed various departments to make job creation a priority. Come and hear about the efforts to encourage small business development, attract major businesses to the city and create jobs at all levels.
